

St. John the Evangelist School
Agreement for the Use of Computers and Telecommunications
Parental Consent Form

St. John the Evangelist School has chosen to permit students access to computer and telecommunication resources to further its educational goals and objectives. Reasonable care has been taken to assure the appropriateness and educational quality of the material available through the use of educational software and telecommunications. However, parents and guardians are warned that St. John the Evangelist School and the Diocese of Gary do not have total control of the information on the internet. The school uses a screening device to filter inappropriate material, but this is not perfectly effective.

Parents and guardians are the primary authority responsible for imparting the standards of ethical and legal conduct their child should follow.

As the parent/guardian of the below named student, I have read the Acceptable Use Policy for Computers and Telecommunications (“The Policy”) and I have either explained it to my child (“student”) or I have assured myself that my child understands it. I understand my own and the student’s responsibilities regarding computer hardware, software, and internet access at St. John the Evangelist School.

I hereby indemnify and hold harmless The Diocese of Gary and St. John the Evangelist School from any claim or loss resulting from any infraction by the student of the policy or any applicable law.
