

# SUMMER READING

Please purchase a small notebook and the book "WONDER". Starting with the first section titled "Ordinary", read it, enter the date and section/chapter name, and write a brief summary using complete sentences in your notebook.

Proceed in this manner until you finish the book. You need to put a date and title, as well as a summary for every time you read a section of the book.

Complete the comprehension questions.

Return the comprehension pages and your notebook to school on the first day, August, 11.

We will then discuss the book in class, complete an art project and work on vocabulary. You will take an AR test on "Wonder", when we have finished our discussion.
