I love SJE... my family has found a home here. I have 3 children who attend SJE. All the children here, including my own, really do learn, live, and love as Jesus taught us. There is no place better to work and go to school.

We go above and beyond...I coach SJE Girl's Volleyball, am on the Veteran's Day Committee, and co-coach our 5th and 6th grade Math Bowl team.

Learning is Fun... There is nothing better than seeing the eyes of a student light up when they succeed at a task after working hard to figure it out. I get to be one of the people to help each child through those tasks daily. In my opinion, there isn't a job more fulfilling than that of a teacher. We get the honor of helping to shape our students' futures as well as the future of our country and planet! I love coming to work every day knowing that I will make a difference!
