

## SJE Competes at Science Fair

March 17, 2019

NWI Times

St. John the Evangelist School hosts a science fair every year for middle schoolers as part of the STEM curriculum. Several St. John the Evangelist students went on to compete at the Northwestern Indiana Science and Engineering Fair hosted by Valparaiso University. Students from seventh and eighth grade represented SJE at the Science Fair and presented science fair topics to judges.

**Dominic Forrester** - 1st Place in Biology Category, 'Most Promising Young Scholar' Award, and US Air Force Award - invited to advance to Indy

**CJ Carlson** - 2nd Place in Technology and Sciences Category, 'Broadcom Masters' Award - invited to advance to Indy

**Raeann Risos** - 2nd Place in Biological Life Sciences Category - invited to advance to Indy

**Julia Simantirakis** - 3rd Place in Biological and Life Sciences, US Navy Award

**Ines Caballes** - No placement but participated at the fair
