Agreement for the Use of Computers and Telecommunications
Acceptable Use Student Form
Kindergarten to Grade 4

Before I can use the internet at my school, there are some promises that I need to make to my teacher, my classmates, my parents, and myself. These promises are made to help keep me safe and to make my time on the internet fun, interesting, and educational.

When I use the computer:

- I promise to ask for help when I do not know what to do.
- I promise to share the computer with my classmates and to be helpful if someone needs my help.
- I promise to follow my teacher's directions about using the computer.

When I use the Internet:

- I promise to learn something new every time I use the Internet.
- I promise to tell my parents about the wonderful things I do on the Internet.
- I promise to stay on the Web pages my teacher shows me and directs me to locate.
- I promise to tell my teacher if I see something inappropriate on the Internet.
- I promise to give credit to the authors of the information I collect for reports.
- I will not copy and paste information for a report and then claim the words as my own writing. (I will not plagiarize).
- I will not send email or instant messages at school.

Now that you have made your promises, sign your name to show that you agree to be a good computer user. This tells us that you agree to follow school rules for the computer and Internet.
